

We're Going To The Zoo! WAHOO!

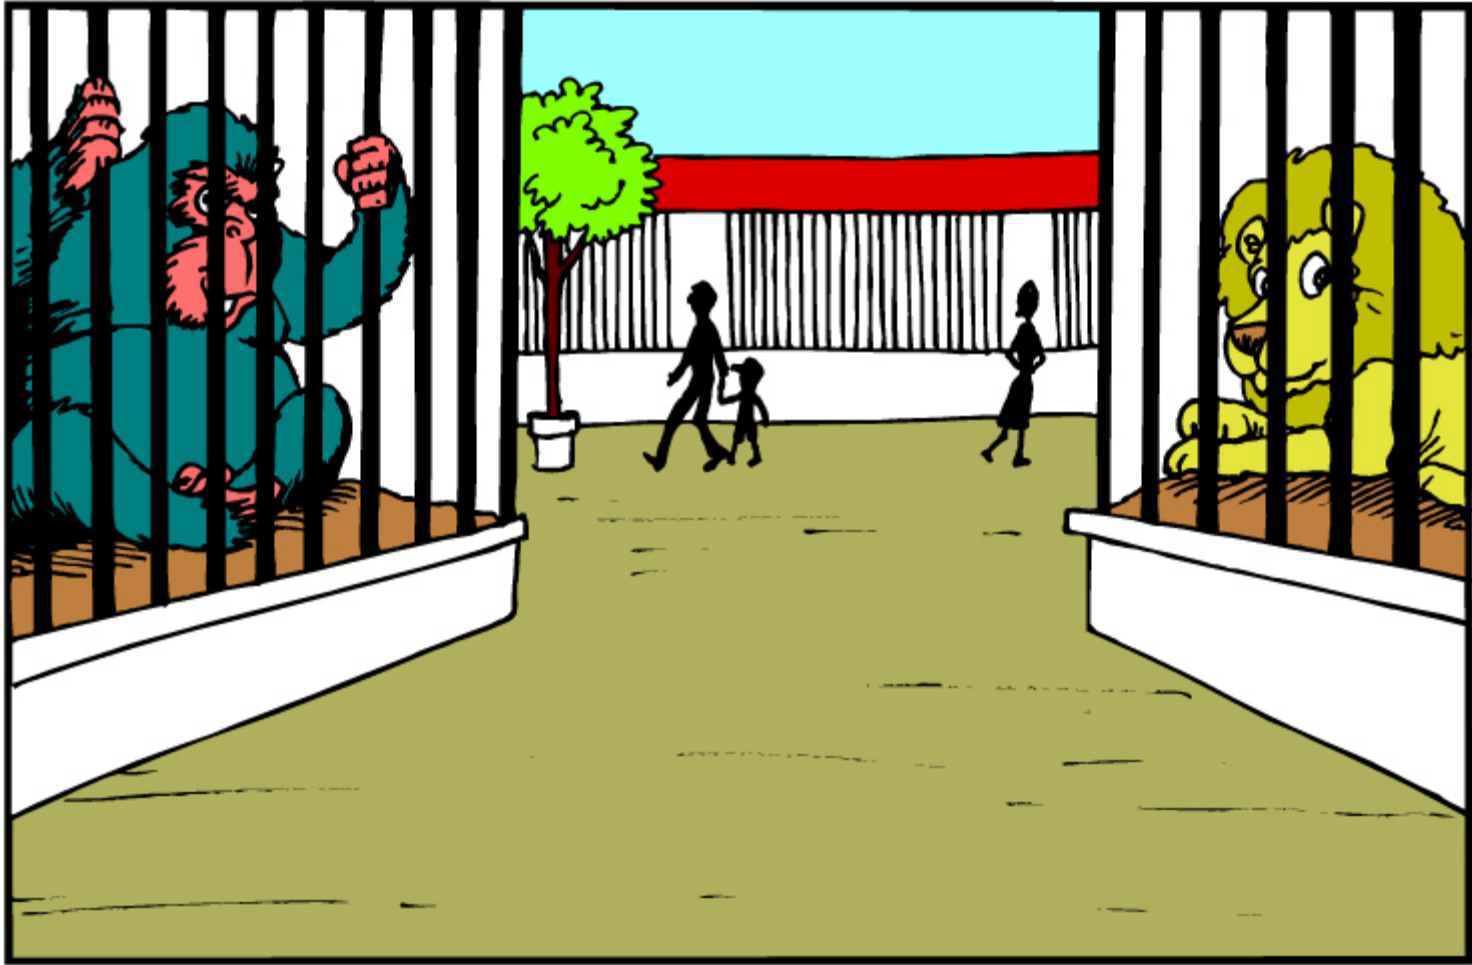

Written by Staci Dodge

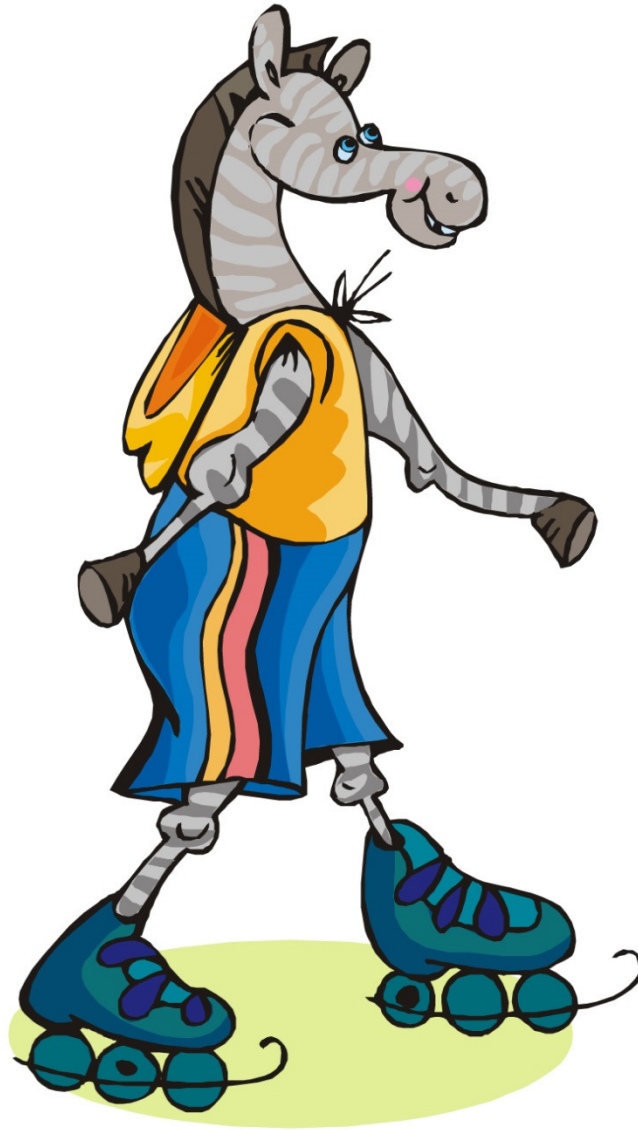

We're going to the zoo today! We're going to the zoo hooray!

Just me and my super fun Dad, I am so happy I am so glad.

As they open the doors to the zoo, I think I see gorillas, lions and zebras too.

I start to wonder what these animals like to do, while they are living at this great big zoo.

I wonder if Zebras like to roller skate, eat ice cream or stay up late!

Oh I want to see the zebras hiding behind the gate.

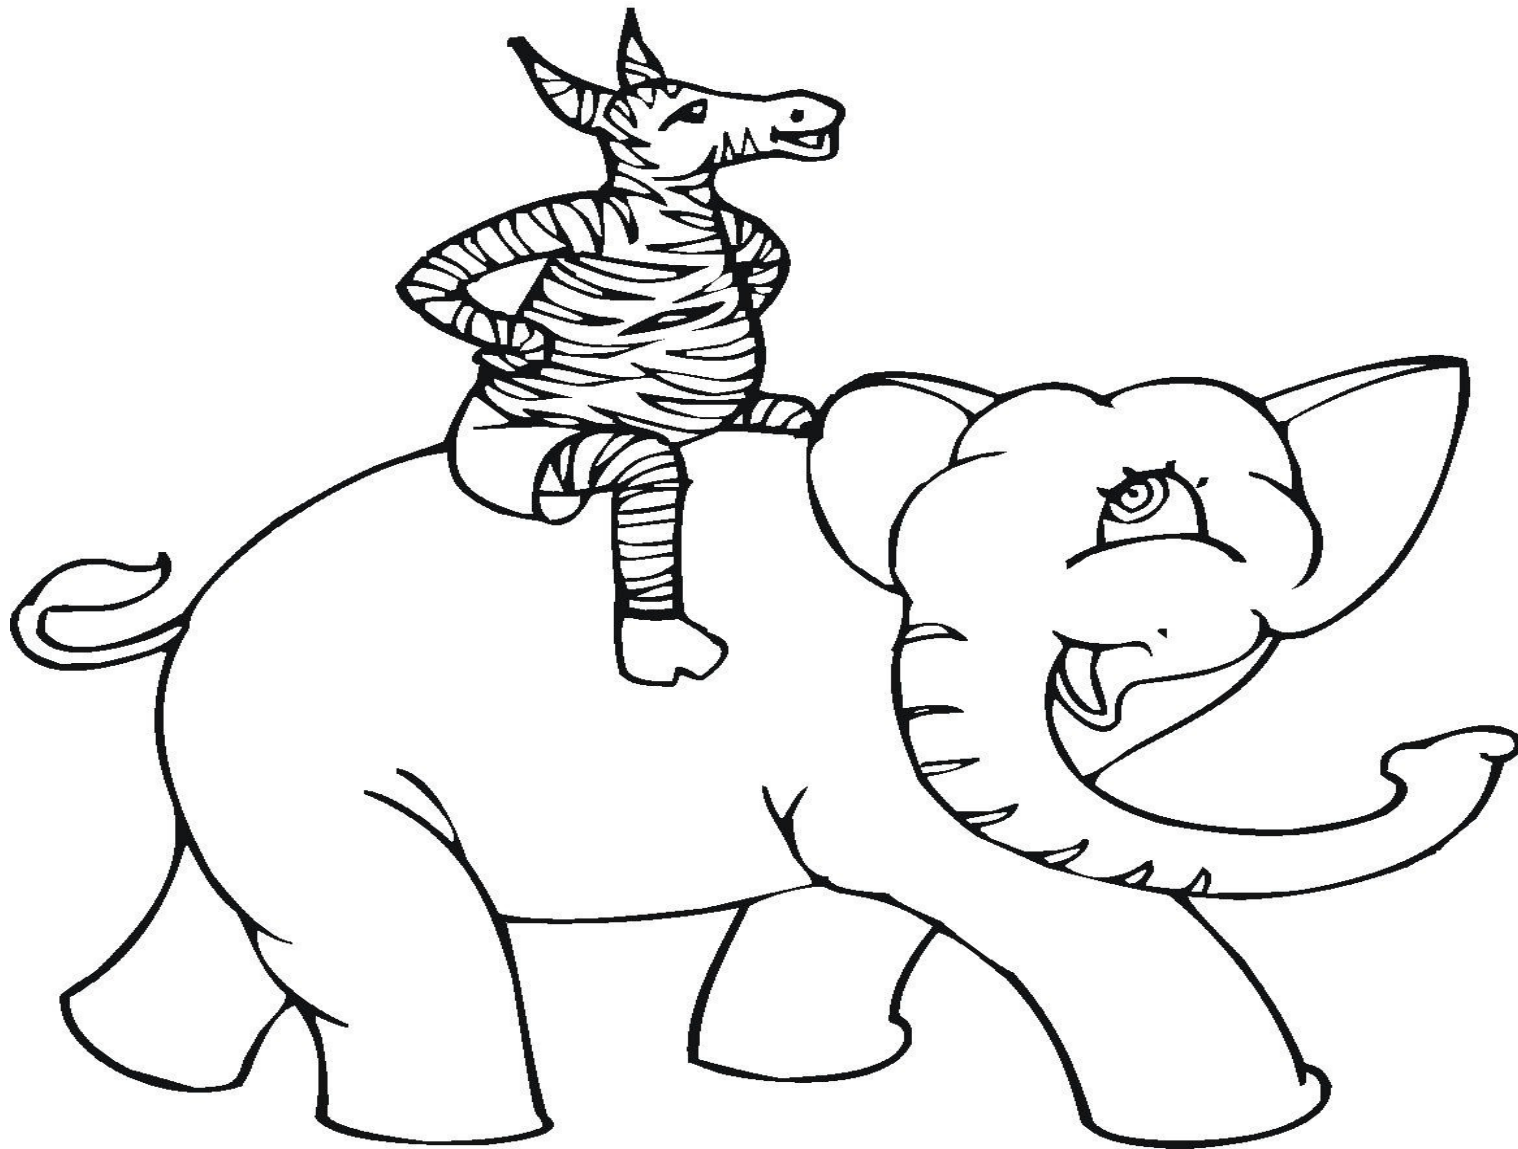

I'm so excited it's so hard to wait!

I begin to wonder if Zebras like to water plants. I wonder if zebras like to eat ants.

I wonder if a zebra wear striped pants. I wonder if zebras like to dance.

Plus coloring pages – see next page for one of the coloring pages

I wonder if elephants and zebras get along. I wonder if they get together just to sing a song.
